Allowable Subject Matter

4. Claims 1-22 are allowed.

5. The following is an examiner's statement of reasons for allowance:

The claims 1-22 are allowable over the prior art of record for at least the reason that the prior art fails to teach or suggest a spring arm projecting radially outwardly in a first circumferential region adjacent to the contact tube main part and having a cylindrical free-end standing circumferential end region, as set forth in claimed combination.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
